# Introduction

**Welcome to WildFire** - here at WildFire we believe that the Unlimited God wants to meet with us, reveal His love for us and that as we experience His love we'll respond by wanting to live a life of Love for Him. We believe that **YOU** have a role to play in God's plans...

This week we're going to adventure through the theme of prayer and put prayer into practise. It's going to be action packed, creative and a barrel load of fun! We'll pray in old ways, news and in some crazy ways. As we pray we'll come to know that there is another reality that God is dreaming of, one that is full of peace, joy and justice, one that is bursting and overflowing with colour... and as we pray, we'll learn how we can join God in that reality being made known through all creation!

We're really excited to spend this week with you and we know that God is really excited for us to hang out with Him. As the week unfolds we know we'll go home changed and be fired up to pray and live for God!

# Prayer Unlimited

Spend some time getting to know the others in your group.

## **LOOK!** **A Distraction!**

Day one

### Ask your leader:

- What does your prayer life look like? (How, what, why, where, when?)
- What Distracts you from prayer?

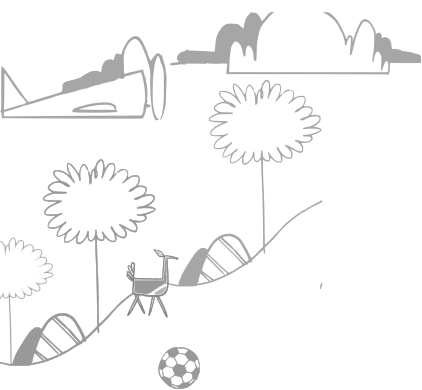

Lord, thank you that you have made a way for us to be one with you and to be made whole. As we adventure together this week, teach us how to pray & help us not to get distracted! Amen.

Bible Takeaway...

# What Now?

What would our lives look like if we cut out some distractions and gave more time to prayer - what might happen? How can you experiment this week? Talk to the people you came to Spring Harvest with about scheduling in some time to pray together.

# Unlimited Access

How would you enter  
the throne room?

How would you prepare  
to go before the King?

What would you  
want to say?

What do you think  
He would say to  
you?

Would you do more  
talking, listening, or  
something else?

Where would the King  
want to meet you?

Day two

## Ask your leader:

What have been your 'throne room'  
experiences?

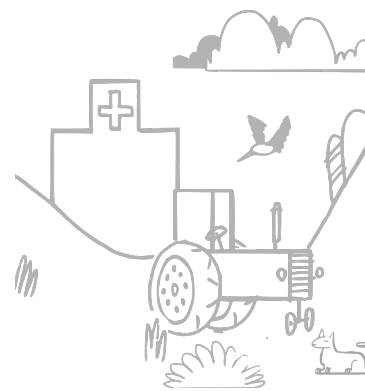

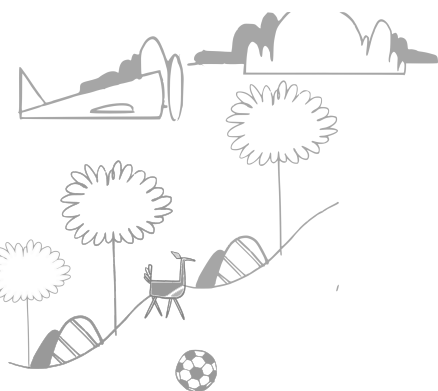

Daddy, thank you that we can come right into your presence. Help us to do this in the secret place but also help us to know You in the hustle and bustle of everyday life. Holy Spirit meet us in both places. Amen.

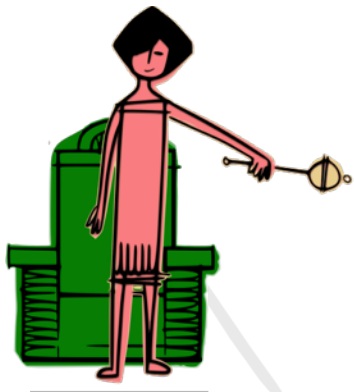

Bible Takeaway...

Pitch a Tent

# What Now?

Where at home can you 'pitch a tent'? Could you develop a routine of time alone with God, hanging out in the 'throne room'? Chat to the people you live with about creating a tent/prayer space!

# Unlimited Connection

## *In My Name ...*

*Pray...*

*Becoming the answer to our prayer...*

Day Three

## Ask your leader:

- Who do you regularly meet with to pray?
- Whose prayer do you feel connected to in scripture?

Jesus, thank you that you taught us how to pray. Inspire us to get together to pray, to catch what it is that you are doing and then, together, to become part of the answer to our prayers! Amen

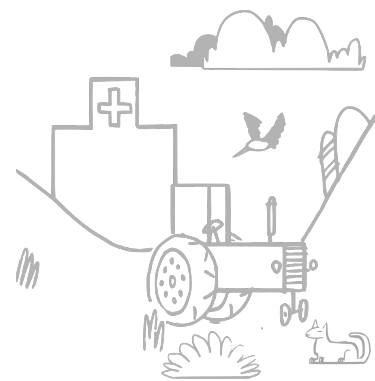

Bible Takeaway...

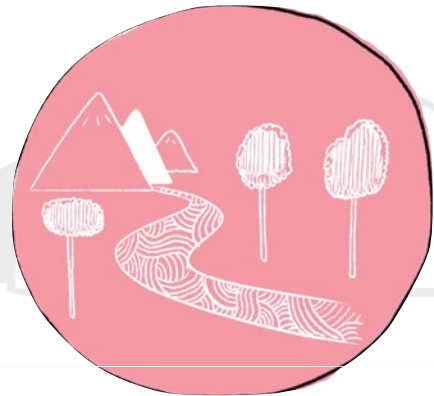

# What Now?

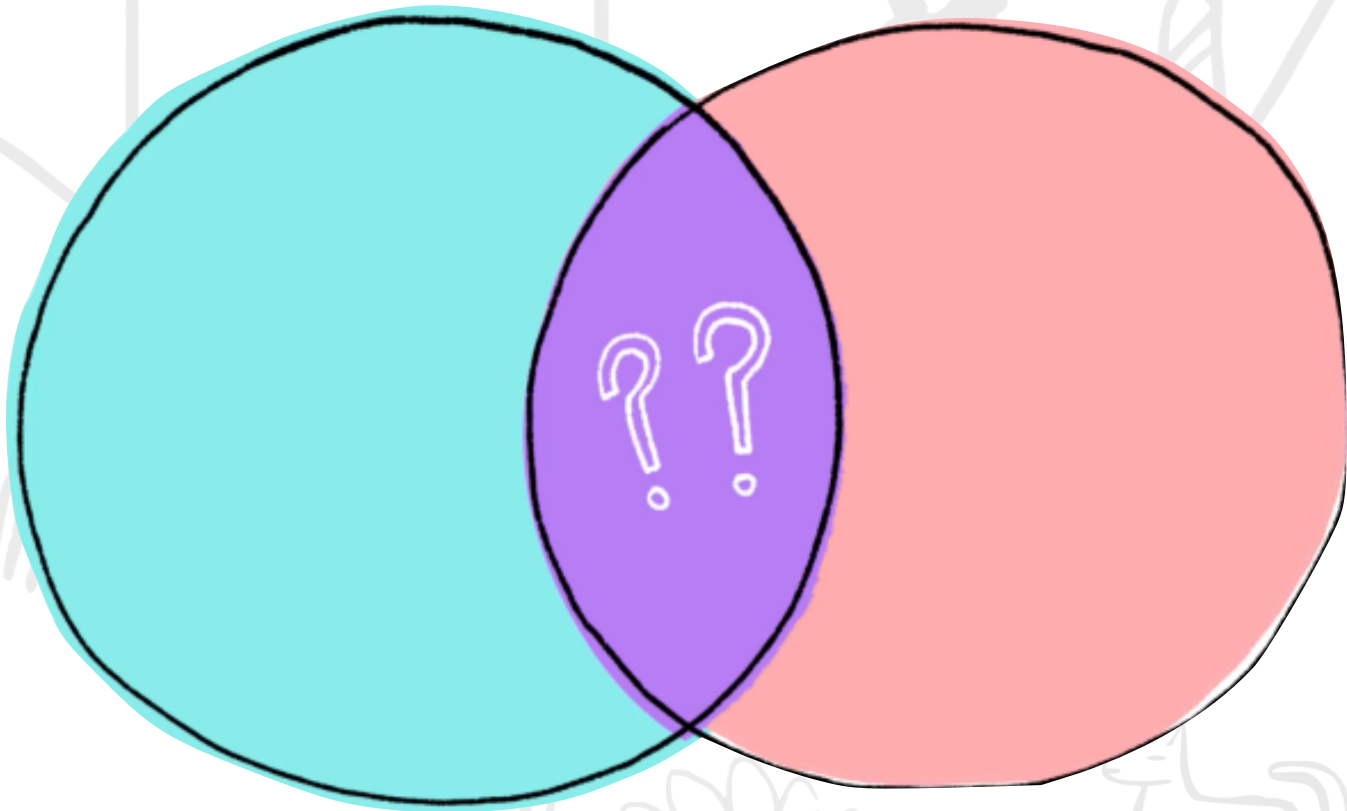

Who could you gather to pray with regularly? Family, school friends, people in your church? How can you make time to become the answer to your prayers and to what God tells you during your time with Him?

# Unlimited Potential

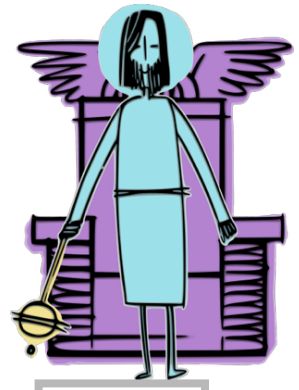

## HEAVEN & EARTH

**Ask your leader:**

How are you allowing the Kingdom of Heaven to come on earth through your life?

Day Four

Daddy, we believe that heaven will be established fully on earth. In the mean time help us not to worry about what we see around us or get dragged down into sin, but to live a radical life for Your Kingdom and establish little bits of heaven on earth! Amen

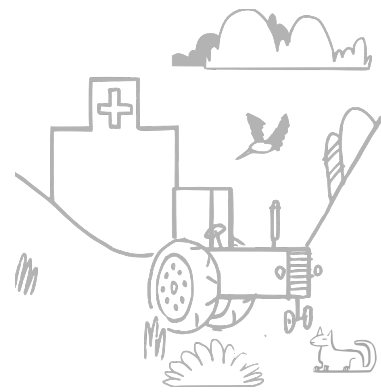

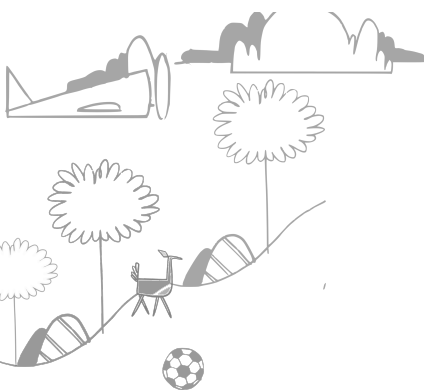

Bible Takeaway...

# What Now?

What do you see in your everyday life that is less than amazing? How can you and the people you pray with seek heaven's reality for that issue/place/person and then start modelling heaven on earth?

# Unlimited Hope

How can you keep prayer going like a wildfire in your life as you leave Spring Harvest?

Day Five

A large, empty rectangular box with a thick black border, intended for writing a response to the question above.

Ask your leader:

How has your prayer life been changed this week and how will that continue as you go home?

Daddy, thank you for all you've done in our lives this week. Help us to remind ourselves all the time of the hope that we have in you and that hope, joy & thankfulness would ooze out of us to the people around us. Amen

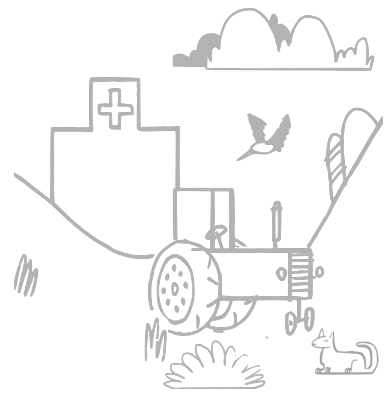

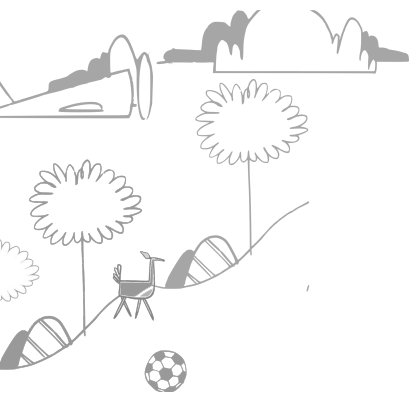

Bible Takeaway...

# What Now?

How will you remember all that God has done in your life this week and all that He will continue to do? What could you do with the people you live with to record God's answers to prayer and be filled with hope to continue to pray at all times?
